

You've Finished
Another Project –
Time to Celebrate!

baby lock

FOR THE LOVE OF SEWING

THE FOREMOST NAME IN HOME SERGING

The First

In 1967 the Baby Lock EF-205 gave home sewers the opportunity to finish garments like a professional manufacturer.

Support

With unsurpassed features, education, and support, there truly is no substitute for a Baby Lock serger.

Our Patents

Baby Lock has continued to revolutionize sergers. Today Baby Lock has numerous patents to its name.

Retailer Network

The Baby Lock Retailer Network is dedicated to sewing enthusiasts just like you — they'll always go the extra mile!

Jet-Air Threading™

With just the touch of a lever, thread is sent through the tubular loopers. There are no thread guides, no struggling and there's plenty of time to serge away!

Needle Threading System

Hold the needle threader in place for quick and easy threading with just the touch of a lever.

Micromatic Twin Cam Tension System

Eliminates thread tangles and delivers proper tension with all threads on any fabric.

Pure Lighting with 1 LED Light

Clearly see every stitch, fabric and thread color under one bright LED light.

Adjustable Presser Foot Height up to 6mm

Celebrate features a higher presser foot height to effortlessly handle thicker and loftier fabric.

Tubular Loopers

There's no exposed thread, no thread guides and you can thread in any order! Tubular loopers eliminate threading mistakes and protect the thread for more serging freedom.

Full Featured Single Unit Differential Feed

We've taken the differential feed to a new level by adding a single-unit feed dog mechanism. This ensures stronger feeding as well as consistent gathering on all fabrics.

Looper Drive System

This exclusive Looper Drive System prevents loopers from becoming misaligned or out of time, reducing the possibility of major looper damage. This protects your machine from needing repairs, allowing you to serge worry free!

Advanced Knife Driving and One-Way Clutch System

Baby Lock has created a knife system with a larger cutting bite that cuts thicker fabric with ease and increased visibility.

Vertical Needle Penetration

While some machines use slanted needles that push and damage fabric, the Celebrate's needles are set vertically and sew directly up and down, protecting your fabric and preventing needle deflection.

Dial Adjustable Stitch Length and Automatic Rolled Hem

Stitch length can be easily adjusted on a Baby Lock serger using one dial. This dial includes an Automatic Rolled Hem setting that will retract the built-in stitch width finger for a rolled hem finish.

Fabric Support System

The Fabric Support System keeps stitches flat and balanced, no matter what speed, fabric or stitch you choose. The built-in stitch fingers actually move with the knife blade, adjusting the seam concurrently with the cutting width.

Features and Specifications

Technology Features

- Jet-Air Threading™
- Micromatic Twin Cam Tension System
- Full-Featured Differential Feed
 - 2 to 1 Ratio - gathering
 - 3 to 4 Ratio - stretching
- 4/3/2 Thread serging
- Exclusive Fabric Support System
- Vertical Needle Penetration
- Pure lighting with 1 LED light

Advanced Serging Features

- Rolled hemming with 2 or 3 threads
- Flatlock stitching with 2 or 3 threads
- Dial adjustable stitch width: 1.5 - 7.5mm
- Dial adjustable stitch length: 0.75 - 4mm
- Dial adjustable built-in rolled hem
- Knife and needles closer for easier serging curves
- Heavy-duty cutting system
- Side thread cutter
- 1500 Stitches per minute
- Presser foot pressure adjustment
- Adjustable presser foot height up to 6mm

Convenience Features

- Built-in needle threading system
- Electronic foot control
- Enhanced telescopic antenna with thread guides
- Snap on, multi-purpose presser foot
- Built-in ribbon/tape guide
- Built-in accessory storage
- Carry handle

Other

- Household needle system:
 - HAx1SP
 - 130/705CF
 - ELx705CF
- Weight: 16 pounds
- Warranty: 25 yrs. Limited, 10 yrs. Parts, 5 yrs. Electrical, 1 yr. Labor

Optional Accessories

- Foot Kit (BLES4FTKT)
- Six Foot Kit (BLE1AT-Feet)
- Beading Foot (BLE-BF)
- Blindhem Foot (BLE-BLHFS)
- Clear Foot (BLE3ATW-CLF)
- Cording Foot 3mm (BLE-CF3)
- Cording Foot 5mm (BLE-CF5)
- Elastic Foot (BLE-EF)
- Flat Sole Foot (BLE3ATW-FSF)
- Lace Applicator Foot (BLE-LF)
- Ruffling Foot (BLE-RF)
- Teflon Foot (BLE3ATW-TF)

Celebrate Included Accessories

- Foot Control
- Lint brush/needle insert tool
- Two needle clamp screws
- Package of assorted sized needles
- Small screwdriver
- Tweezers
- Upper cutting blade for replacement
- Looper threading tool
- Screwdriver
- Machine soft cover
- Four spool caps
- Four sponge disks
- Four thread nets
- Allen wrench
- Four cone holders

Celebrate

4-Thread Serger

Finished another project? Time to celebrate! The easy-to-use Celebrate includes adjustable manual tensions, allowing for perfect stitches on any type of fabric. Jet-Air Threading™ threads your machine with the touch of a lever. Plus, Celebrate's presser foot features a 6mm height that makes serging on thicker fabrics a breeze!
